

Iceberg (Undersink Water Cooler)

The Iceberg under sink water dispenser is available as a Cold Only Chiller. Created especially to accommodate small spaces conventional dispensers are too large for. Measuring only 12" x 16" x 12", the Iceberg's compact design will easily fit under most sinks. An impressive output capacity of 3 gallons per hour, the compressor driven chiller provides exceptional cooling performance. Simply connect the Iceberg to a countertop mounted faucet for cold water on demand.

Specifications:

ITEM		SPECIFICATIONS
Power rating		Single phase
		100-115VAC 60Hz
Standard current		Cold: 1.2A
Power Consumption		75W
Cold	Compressor	Single phase motor
	Refrigerant	R134a
	Temp range	4-10°C (39.2-50°F)
	Capacity	1.95L (0.5 gal)
Refrigerant charge		35.0g (1.2 oz)
Product weight		12.5kg (27.6 lb)
Product boxed weight		13.6kg (30.1 lb)
Product dimensions		410(W) X 300(D) X 300(H)mm
		16.5"(W) X 12"(D) X 12"(H)
Product boxed dimensions		430(W) X 330(D) X 340(H)mm
		16.9"(W) X 13.0"(D) X 13.5"(H)
Loading quantity		20' Container: 637 Units
		40' Container: 1323 Units
IEC protection class		Class 1
Certifications		C-UL-US, CB, WRAS
